\_\_\_\_\_ Please Check this line if your child wants to participate in the Kit Kars, so that the appropriate amount of materials and supplies can be ordered.

Kit Kars is always a popular activity for kids and parents! For this we will need adult participation so clear your calendars for those Thursday nights! Kids (with the help of adults) will design, construct, and paint a race car out of a block of wood. Typically we try to make this a dad/kid activity, but if dad isn't available, grandpas, uncles, brothers, or even moms are invited to help out the kids.

**\*Please Note: Kidz Klub will wind up for the year with the big race night on March 15.**
